Storytelling with Purpose: Books

Read, Reflect, Reimagine Stories that Encourage Empathy,

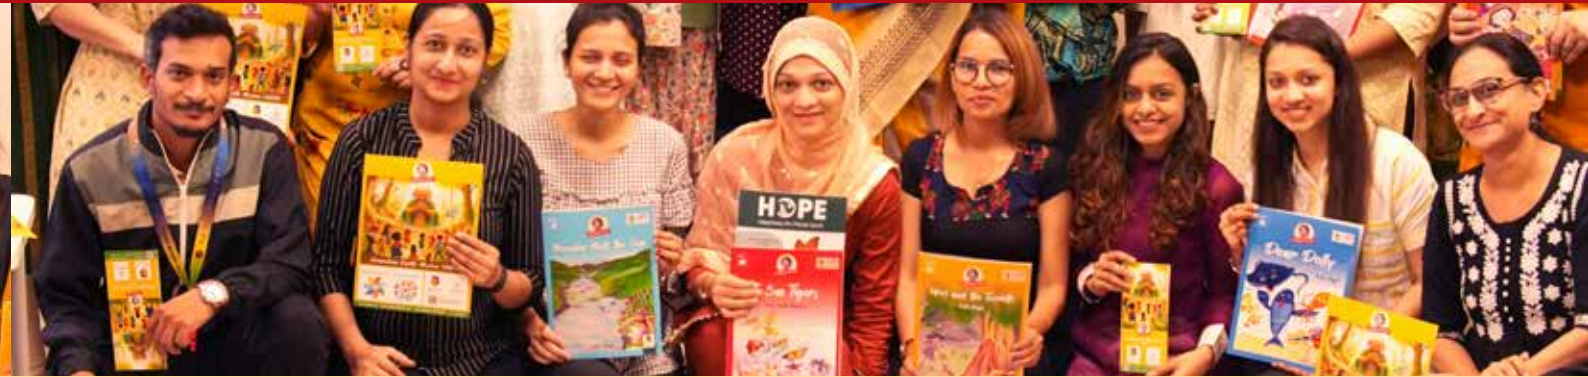

At Books33, the publishing division of Aadya Green Gifting Pvt Ltd, our philosophy is rooted in the belief that books are among humanity's most precious 'gifts.' Guided by an ethos of social awareness and environmental responsibility, we curate storybooks that are not just tales, but conscious steps toward a greener future. Each book we publish is a 'green gift,' reflecting our unwavering commitment to sustainability and mindful consumption.

Our journey extends beyond the pages of our books. Through thoughtfully designed writing retreats and eco-retreats, we provide enriching experiences that inspire eco-friendly living and nurture a deeper connection with nature.

Our flagship initiative, Grandma Earth Mission (GEM), conceptualised by Prof (Dr) Shalini Verma 'Lifoholic'—Founder & Chief Visionary Officer of SAMVAW Foundation—stands as a one-of-a-kind innovation. GEM aims to enlighten, enchant, and educate young minds about preserving the environment, embracing carbon-

Action and a Commitment to Creating a Better Future for All

neutral measures, and supporting the United Nations' 17 Sustainable Development Goals (SDGs) and Mission LiFE (LiFEStYle for Environment).

The GEM series offers three dedicated collections for children aged 2-10 :

GEM SDG SERIES

34 storybooks aligned with the UNs' 17 SDGs for children aged 6-10 to encourage environmentally conscious habits.

GEM LIFE SERIES

14 storybooks integrated with guidelines of UNESCO, UNEP & MoEFCC, GoI for children aged 6-10 to foster eco-friendly behavioural change.

GEM FUN SERIES

10 storybooks aligned with NEP 2020 guidelines for foundational learning in children aged 2-5 to nurture early environmental awareness.

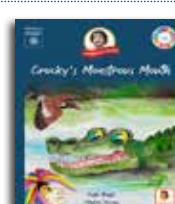

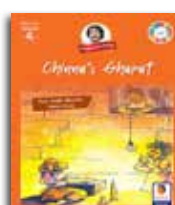

Through vibrant storytelling, Books33 nurtures young changemakers, empowering them to become socially conscious citizens and leaders of a sustainable tomorrow.

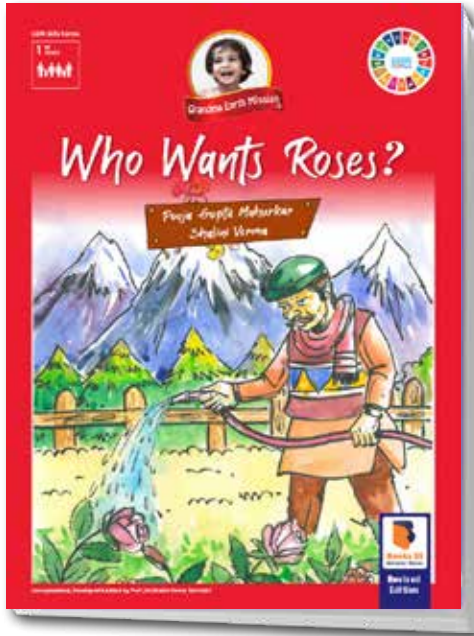

GEM SDG Series

The GEM SDG Series is a unique collection of 34 storybooks, with 17 titles available in English and 17 in Hindi. Each book explores how the environment, people, and progress are interconnected, helping children develop awareness of sustainability and the importance of harmonious living.

Designed specifically for children aged 6 to 10 years, the series caters to students from classes 1 to 5 in regular schools. Each story creatively aligns with the recommendations of the United Nations' 17 Sustainable Development Goals (SDGs), covering themes like clean water, quality education, climate action, and reduced inequalities.

The absorbing tales aim to inspire children to adopt mindful habits and build a foundation for a sustainable future. Through simple language and vibrant illustrations, the series makes complex global issues accessible and relatable, empowering the next generation to play an active role in achieving a better and more equitable world.

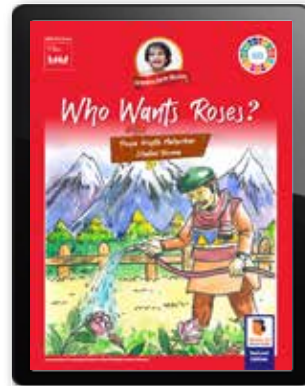

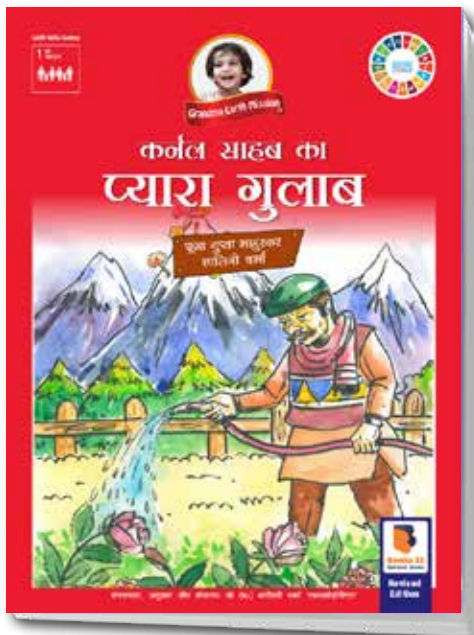

Who Wants Roses is a compelling story of Colonel Saab's transformative journey, navigating the delicate balance between the 'Haves' and 'Have-nots.' Rooted in **SDG 1: No Poverty**, it explores themes of inequality, compassion, and collective action. As Colonel Saab realises the strength of giving and sharing, the narrative inspires readers to reflect on their role in building a more equitable world. Aligned with **Mission LIFE's** focus on **mindful living and sustainable communities**, this heartfelt tale demonstrates how small acts of kindness and generosity can ignite meaningful change in the fight against poverty and create lasting social impact.

GEM LiFE Series

The GEM LiFE (Lifestyle for Environment) Series is a thoughtfully curated collection of 14 storybooks, comprising 7 titles in English and 7 in Hindi. The stories convey the deep connection between nature, communities, and growth, inspiring children to embrace values of environmental care and social responsibility from the start.

Aligned with the guidelines of UNESCO, UNEP & MoEFCC, GoI for children aged 6-10 studying in classes 1 to 5 in regular schools. The aim of this series is to instil sustainable environmental practices.

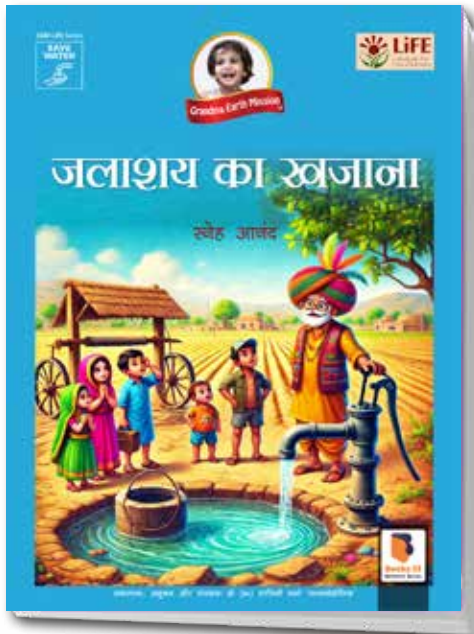

Through engaging narratives and vibrant illustrations, the books inspire children to adopt eco-friendly habits, such as conserving resources, reducing waste, and protecting nature. By simplifying critical environmental concepts, the series encourages young minds to become proactive in shaping a greener and more sustainable future for all.

Hidden Water Treasure takes you to a village where once-abundant water sources have mysteriously dried up, plunging the community into despair. With time running out, can Aadya and her friends uncover the ancient secret of the hidden water treasure and save their village from a parched future? This compelling tale directly aligns with **SDG 6: Clean Water and Sanitation**, emphasising the importance of water conservation, sustainable management of resources, and community action for a better future.

Author : Sneha Anand
 Paperback : 36 pages
 ISBN : 978-81-982434-9-2
 ISBN (Hindi) : 978-81-982434-3-0

The Mystery of the Vanishing Light takes readers to Gompa village, where mysteriously fading lights reveal a startling truth—wasted energy is at the heart of the problem. With guidance from their beloved storyteller, Chamcham Uncle, Aadya and her friends become "Energy Guardians," rallying the community to adopt energy-saving practices. This inspiring tale aligns with **SDG 7: Affordable and Clean Energy and Mission LIFE's focus on sustainable energy use**, highlighting the power of small actions to create a brighter, sustainable future.

*Bilingual
Award-winning
Author in Malayalam*

"Each of us carries a story, and the influence of grandmother's tales shapes life's values profoundly. This Series weaves sustainability into daily habits through storytelling, with characters echoing Panchatantra's wisdom, inspiring children to adopt sustainable practices and create positive change."

Pallavi Sinha

Delhi Metro

"As a mother of twins, I admire the GEM LiFE Series by Books33 for inspiring young minds toward sustainability. Watching my children enjoy these stories is heartwarming. Kudos to Sneha Anand for her creative contributions."

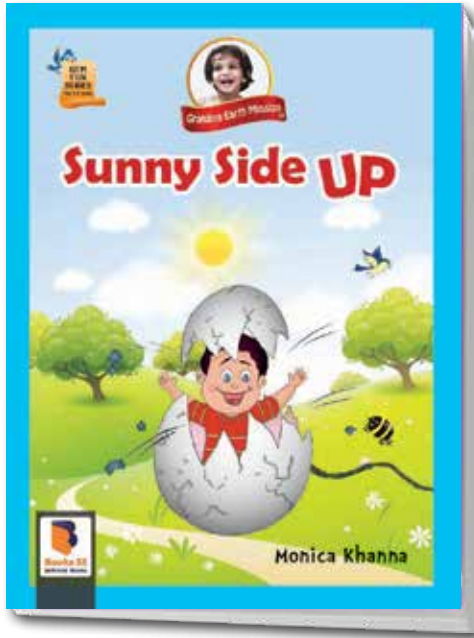

GEM Fun Series

The GEM FUN Series is a delightful set of 10 storybooks, featuring 5 titles in English and 5 in Hindi. Each story highlights the interconnectedness of the planet, people, and prosperity, fostering environmental and social awareness from an early age. Designed specifically for children aged 2 to 5 years, this series caters to learners in Anganwadi centres, pre-schools, and Balvatikas.

Aligned with the National Education Policy (NEP) 2020, the series recognises that over 85 per cent of cumulative brain development occurs before the age of 6. It uses storytelling as a powerful pedagogical tool to engage young minds, strengthen foundational learning, and enhance cognitive, emotional, and social development.

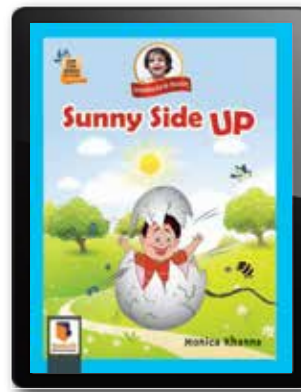

With simple language, colourful illustrations, and relatable characters, the books aim to make learning fun and meaningful. The GEM FUN Series not only introduces early learners to important life skills but also nurtures curiosity, creativity, and a love for learning.

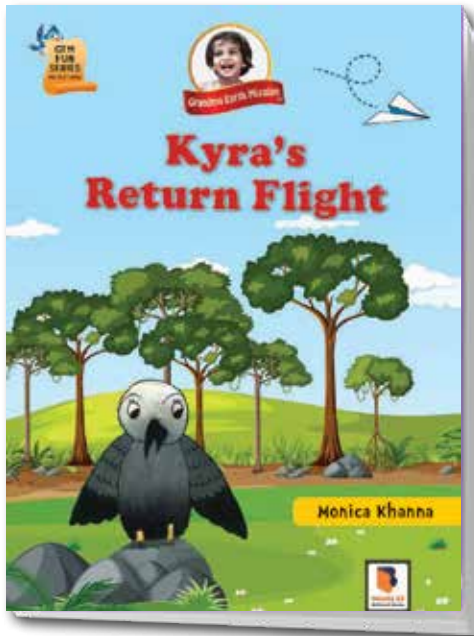

Sunny's day out is a whirlwind of mischief, daring adventures, and mouth-watering escapades, but something feels off—who is Sunny, really, and why is the whole town after him?
